

A stylized letter 'A' logo composed of several overlapping, slightly curved lines in shades of blue, purple, and yellow. The lines are arranged to create a sense of depth and movement.

**ALEXANDRA
MACKAY**

cell.mates

Cell.mates is an application designed to provide inmates with a simulation of a public social media platform in a controlled environment to assist their eventual transition back into society.

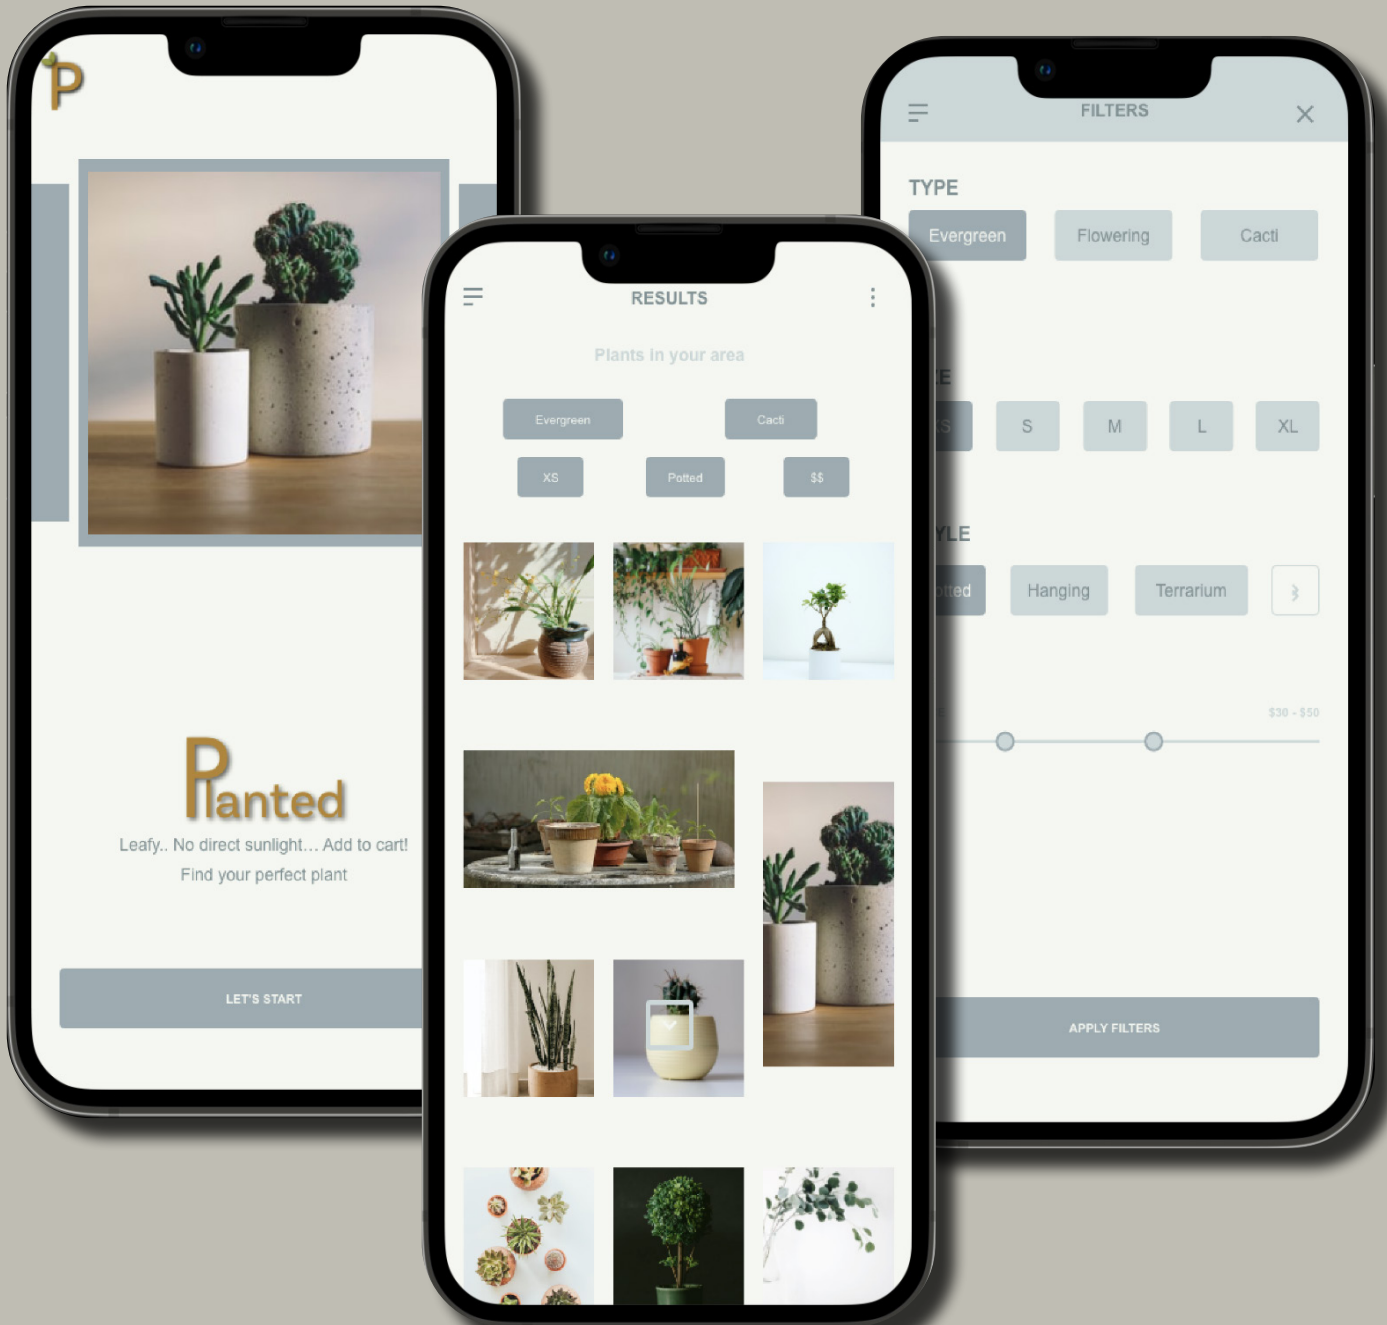

UC-GT

UC-GT is a digital map that displays the artworks and installations around the University of Canberra. This project was in collaboration with Contour606, the newest activation as apart of Contour550 Canberra's Art Biennial.

Planted

Planted is designed to provide users with an accessible platform to purchase their new plant baby. The app works of a database created by local nurseries, and depending on the user's preferences, filters are applied to find the ideal plant.

tracker.

tracker. is a scheduling application for university students. Its purpose is to alleviate students anxiety and assist in their time management skills. By evaluating the study hours required for each assessment item, students are given daily study tasks to complete the item on time.

Wearing History

Wearing History is a website application that loads data from the National Museum of Australia's API. Through filtering out the data presented to users, Wearing History displays information on jewellery items from all eras.
